Dear Administrator,

I would like to take this time to congratulate you and your facility on receiving special recognition from the Ohio Health Care Association and the Ohio Centers for Assisted Living. It has come to my attention that your site has achieved a resident satisfaction survey score above the statewide average of 91.73%, which itself is commendable. A score even higher than this is certainly something to be proud of.

As a state legislator, I frequently hear stories of Ohioans who unfortunately do not have access to adequate health care and whose many needs often go unnoticed. I thank you for your commitment to serving the citizens of Ohio, specifically those who would otherwise have nowhere else to turn. The fact that your resident satisfaction rating is so high is a testament to the hard work of you and your staff, as well as your dedication to your residents and their families.

Again, congratulations on this distinction. Other residential care facilities can look at yours as a model of how to best meet the needs of Ohioans. You should be proud of this achievement, and I wish you continued success.

Sincerely,

SENATOR JASON WILSON
